GUITAR SIGNED BY LEE BRICE

Lee Brice is an *NRA Country* alumnus, singer, songwriter and trailblazer. At the beginning of 2010, Lee offered an alternative sound to the frequent party anthems of country music. Certainly, Lee isn't adverse to good times, as he details in his hit "Parking Lot Party," but he specializes in heart-on-your-sleeve ballads like "I Drive Your Truck" and "I Don't Dance," showcasing his weathered voice. Growing up as a native of South Carolina, Lee not only learned to sing, but to hunt and fish. When not on the road, he makes sure that he is outdoors with his family as much as possible. Lee is not only an outdoorsman, but also a Patriot. His unyielding support of the military, through his participation with Folds of Honor, is staggering. He is a true American who embodies what *NRA Country* is—not just a name, but also a lifestyle. Own a piece of music history with this guitar, featuring the NRA seal on headstock and signed Pick Guard by Lee Brice, himself! Limited to 716 units.

(“NRA Foundation”) is a 501 (c)(3) tax-exempt organization that raises tax-deductible contributions in support of a wide range of firearm-related public interest activities of the National Rifle Association of America and other organizations that defend and foster the Second Amendment rights of all law-abiding Americans. These activities are designed to promote firearms and hunting safety, to enhance marksmanship skills of those participating in the shooting sports, and to educate the general public about firearms in their historic, technological and artistic context.
